44th Annual District Conference

June 13-14, 2012
Christ Wesleyan Church/Milton, Pennsylvania

A message from our District Superintendent...

The people of the Penn-Jersey District are difference makers. Because of you there is redemptive change occurring in our world.

You are leaders, pastors, missionaries, teachers, authors and denominational leaders. There are many languages that flow from your lips and your cultural diversity equips us to touch the core of so many people groups. God has collected us together that He might empower us to proclaim the message of Jesus Christ and demonstrate the love of Christ through our community of faith.

As we gather at District Conference this year we shall reflect on His blessings this past year; celebrate anew our oneness in Christ and look with optimistic hope at what God shall continue to do through us.

These are great and grand days in the life of Penn-Jersey District. We are moving forward and impacting more and more people for Christ. Our churches are becoming not only wonderful worship centers, but launching pads for ministries of compassion into our communities. There are many facility expansions taking place, necessary efforts to

accommodate growing congregations and enhanced ministries.

This year we will elect a new district leader to guide us into the ongoing fulfillment of God's designs for our bright tomorrow. Together we will continue to pursue the assault on the kingdom of darkness through the spreading of the light of the gospel of Jesus Christ.

Thank you for all you have done for the Kingdom of God this past year. Let us now join hands and hearts in wholehearted pursuit of a bright tomorrow for Penn-Jersey District.

Harry F. Wood
District Superintendent
